## WOMEN LAWYERS OF INTERLAW

Today's global companies depend on the expertise of business lawyers who are fluent in the native language, laws, rules, regulations and customs of their own jurisdiction, yet who are broadly educated and experienced in working with domestic and global clients. Since 1982, Interlaw has been the preferred international association of independent, quality-monitored, commercial law firms. Corporate counsel and other executives choose Interlaw firms in more than 125 cities worldwide as their primary resource for reliable legal representation.

Women Lawyers of Interlaw are senior practitioners throughout the network having a wide range of expertise. This directory includes women lawyers from North, Central and South American, European and Asian member firms of Interlaw who are available to companies seeking counsel. This directory was created in specific response to corporate counsel who have pledged "A Call to Action" to retain the professional services of women and underrepresented minorities. In addition, there are qualified women lawyers at Interlaw member firms in the Middle East and Africa. Contact [Secretariat@interlaw.org](mailto:Secretariat@interlaw.org) for all Interlaw member firms.
